the Fateful Findings drinking game

Pre-Viewing

+Whoever guesses closest to the IMDB star rating (out of 10) assigns the total number of drinks in the rating (plus, for each star off you are in your guess, take one).

+For every other Neil Breen film you can name (write the titles below) you can assign one drink.

1 Drink

+Every time you see A nipple (1 drink per nipple).

+Every time you see blood.

+Every time the name Neil Breen appears on screen.

+Every time someone dies, you must hold your drink up, cheers the person, and take a drink. If you forget to cheers, take two.

+Every time there is more than one laptop on screen at the same time. 1 drink per laptop.

+Every time the mystery books or rock appears.

+Every time a drink is spilled or thrown

+Every time we see the "trash bag room".

+Drink whenever Dialogue:
Is repeated
Explains what is happening on screen

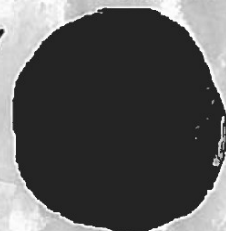

Contests (if a contest opportunity is missed, the DD will assign the relevant drinks)

+When the line "...GOVERNMENT secrets" is spoken by Emily, put a finger to your lips and say "Shhhh..." The first person to do so assigns 2 drinks.

+Every time a book or laptop is thrown or dropped, the first person to also throw or drop an object assigns 3 drinks.

+Every time any version of the word "hack" is spoken (hacked, hacking, hacker) the first person to go into a hacking cough assigns 2 drinks.

+Every time something supernatural happens, the first person to say "Ooo, spooky" assigns 2 drinks.

End:

The most drunk player calls Neil.
